Subject: Request for Bid Relief

To Whom It May Concern:

Please consider this as Elecnor Belco Electric, Inc. request for bid relief for the above referenced project as a result of an inadvertent clerical error in our bid proposal. The clerical error has subjected our bid proposal to be materially different than what our firm intended it to be. The error was made in completing our bid proposal and is not due to error in judgment or carelessness in inspecting the work site or in reading the plans or specifications.

The error occurred while providing closure to the bid proposal utilizing an excel spreadsheet. The formulated cell did not calculate an overhead/profit of 12%, therefor, resulting in a submitted bid of $286,400.00. Our intended bid was $320,768.00 which would include our overhead and profit. To move forward with our submitted bid will be a detriment to our firm in performing the work at costs and will affect our bonding capabilities.

Elecnor Belco Electric, Inc. respectfully requests that our bid proposal be withdrawn from consideration. Please accept sincere apology for any inconvenience this may have caused and appreciate your understanding in this important matter. Should you have any questions or concerns, please do not hesitate to contact me at (909) 993-5470 ext. 254 or via email jwong@elecnor.com.

Sincerely,
Elecnor Belco Electric, Inc.
