**Education:** University of Tennessee, Knoxville, BS Degree, Civil Engineering, 1979

**License:** Registered Professional Civil Engineer, California # 35251, since August 1982

**Certificates:** Dispute Review Board (DRB) Foundation, Sacramento, February, 2015

Board of Review (BOR) Member Training, San Diego, October, 2010

ICS/SEMS/NIMS (Emergency Management), San Luis Obispo, May 2010

**Experience:** Employed 36 years by the California Department of Transportation (San Luis Obispo, District 5)

- **January 1993-August 2015 Senior Transportation Engineer.** Performed duties of Construction Engineer. Managed construction activities within Monterey, San Benito, and at times Santa Cruz counties. **Managed/Supervised a staff of up to 20 Engineers,** Technicians, and Consultants. Supervised Resident Engineers in the administration of contracts, large and small, including the recently completed Prunedale Improvement Project, the largest project to date in District 5. Responsible for claim management for all contracts in my area; evaluated strengths and weaknesses of each claim, and helped to prepare the claim report. Acted as a first or second level in Dispute Resolution/Partnering hierarchy.
- Senior Resident Engineer-Hollister Bypass and Carmel River Bridge Replacement.
- Partnering Coordinator for District 5 with the duty of promoting the formation and success of partnering relationships on Caltrans construction projects. Provided training to Caltrans field and Contractor staff.
- Served as a member on Caltrans Board of Review.
- **June 1985-January 1993** Associate Transportation Engineer/Resident Engineer. As a Resident Engineer, supervised a staff of Engineers, Technicians, and Consultants administering contracts in San Luis Obispo and Santa Barbara counties. Resident Engineer on projects ranging in difficulty from paving asphalt concrete to complex interchanges.
- **Prior to June 1985** Various Departments in District 5 including Construction, Design, Surveys, and Traffic.
