**SUPPLIER CLEARINGHOUSE
CERTIFICATE OF ELIGIBILITY**

CERTIFICATE EXPIRATION DATE: 12-31-2015

The Supplier Clearinghouse for the Utility Supplier Diversity Program of the California Public Utilities Commission hereby certifies that it has audited and verified the eligibility of:

***KRC Safety Co., Inc.
of Visalia, California as a MBE***

pursuant to Commission General Order 156, and the terms and conditions stipulated in the Verification Application Package. This Certificate shall be valid only with the Clearinghouse seal affixed hereto.

Eligibility must be maintained at all times, and renewed within 30 days of any changes in ownership or control. Failure to comply may result in a denial of eligibility. The Clearinghouse may reconsider certification if it is determined that such status was obtained by false, misleading or incorrect information. Decertification may occur if any verification criterion under which eligibility was awarded later becomes invalid due to Commission ruling. The Clearinghouse may request additional information or conduct on- site visits during the term of verification to verify eligibility.

This certification is valid only for the period that the above named firm remains eligible as determined by the Clearinghouse. Utility companies may direct inquiries concerning this Certificate to the Clearinghouse at 800-359-7998 in Los Angeles.

Standard Terms and Conditions

1. Rates do not include the application of prevailing wages and contractor agrees that if required the additional costs will be reimbursed.
2. Trucks are based on schedule and availability and must be mutually agreed upon before commencement of work.
3. Minimum charges apply for late cancellations (less than 2 hours before appointment times) not less than 4 hours at our standard hourly rates.
4. Tonnage rates are based on 8 hour trucking shifts and unless incurred standby time is paid in full, tonnage rates will not be honored.
5. Tonnage rated work is subject to a 24 ton minimum charge for double bottoms or Dillard owned semi bottoms (40' long) and 20 ton minimum charge for semi ends, super dumps, and standard semi bottoms.
6. Damage to trucks and trailing equipment caused by the contractor or its subcontractors will be reimbursed at cost.
7. For hourly work, minimum charges apply: 6 hours at night and 8 hours during the daytime.
8. Dillard is a UDBE truck broker but cannot guarantee UDBE participation as filling orders takes priority over achieving any UDBE participation. Dillard never agrees to provide any certain number of UDBE trucks for any project at any time and does not agree to any lump sum participation amount. We make every effort to fill truck orders as they are received.
9. Fuel surcharges apply at a rate of 5% unless agreed to be waived in writing and are subject to further increases as fuel prices adjust upward without notice.
10. Customer agrees to pay our legal fees and all collection costs if the account becomes delinquent.
11. Payment terms are strictly 30 days from invoice date with finance charges accruing on the unpaid balance at a rate of 1.5% per month.
12. Project specific quotes are valid for 90 days until secured by a contract or Dillard ATP.
13. Multi-year contracts are subject to increases of 4% per year without notice.
14. Bridge tolls will be reimbursed at cost.
15. All proposed back-charges to Dillard for lateness, lost materials, or other costs directly caused by Dillard or one of its sub-haulers will be presented in writing to Dillard for consent or rebuttal within 10 days of the alleged incident. No late back-charges will be honored.
16. Dillard is certified with various agencies as a SDB, DBE, SDBE, WBE, LBE, and UDBE.
17. In the event the account becomes delinquent and it is necessary to institute legal proceedings, CUSTOMER agrees to pay DES' attorney's fees incurred in such proceeding, action or suit or in any appeal thereon. Any proceeding, action or suit arising from this agreement will be tried exclusively in the courts located in Contra Costa County.

GOOD FAITH EFFORTS DOCUMENTATION - DBE

OES-OE-0102.11A (NEW 06/2012)

2. List the names of certified DBEs and the dates on which they were solicited to bid on this project. Include the items of work offered and the dates and methods used for following up initial solicitations to determine with certainty whether the DBEs were interested. Attach copies of solicitations, telephone records, fax confirmations, etc.

Name of DBEs Solicited	Date of Initial Solicitation	Item(s) of Work	Follow Up Methods and Dates
See Attachment B			

3. For each item of work made available, list the selected firm and its status as a DBE, the DBEs that provided quotes, the price quote for each firm, and the price difference for each DBE if the selected firm is not a DBE.

Item(s) of Work	Name of Selected Firm	DBE or non-DBE	Name of Rejected Firm	Quote (\$)	Price Difference (\$)
See Attachment C					

If the firm selected for the item is not a DBE, provide the reasons for the selection on a separate sheet and attach names, addresses, and phone numbers for the firms listed above.

4. List the names and dates of each publication in which a request for DBE participation for this project was placed by the bidder. Attach copies of published advertisements or proofs of publication.

Publications	Dates of Advertisement
Reed Construction Data	5/29, 6/2, 6/5, 6/9
Small Business Exchange	5/29, 6/2, 6/5, 6/9
See Attachment D for Proof of Publications	

5. List the names of agencies and the dates on which they were contacted to provide assistance in contacting, recruiting and using DBE firms. If the agencies were contacted in writing, provide copies of supporting documents.

Name of Agency	Date of Contact	Method of Contact	Results
WCOE (Women Construction and Executives)	5/28/2014	Email	Email blast was sent to all members with our ITB
Small Business Development Center	5/28/2014	Email	Email blast was sent to all members with our ITB
US Pan Asian American Chamber of Commerce	5/29/2014	Email	Email blast was sent to all members with our ITB

*** See Attachment E for emails***

6. List efforts made to provide interested DBEs with adequate information about the plans, specifications, and requirements of the contract to assist them in responding to a solicitation. Identify the DBE as stated, the information provided, and the date of contact. Provide copies of supporting documents.

Information regarding obtaining plans and specifications were provided in our Invitation to Bid and Advertisement. CCMI also offered assistance in our Invitation to Bid and Advertisement, no assistance was requested.

7. List efforts made to assist interested DBEs in obtaining bonding, lines of credit, insurance, necessary equipment, supplies, materials, or related assistance or services, excluding supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate. Identify the DBE assisted, the assistance offered, and the date. Provide copies of supporting documents.

CCMI offered assistance with obtaining bonds, insurance, lines of credit, equipment, and supplies in our Invitation to Bid and Advertisement. CCMI do not receive any requests for assistance.

8. Include additional data to support a demonstration of good faith efforts.

CCMI is continually working to build relationships with DBE subcontractors and suppliers, and we encourage them to work with us. We attend numerous outreach events to promote DBE and small business participation in our industry. See Attachment F for additional efforts.

Terms and Conditions:

Complete Analytical and Geotechnical reports must be provided by contractor and approved by landfill prior to soil removal. All soil testing must meet the landfill's requirements. All delivered materials are subject to the contractor's approval and must be approved prior to hauling. Tonnage and load prices are only valid with standby times (\$1.50 per minute beyond 10 minutes per truck at both loading and receiving sites) paid in full; otherwise, hourly rates will be charged for all trucks. Tonnage and load rates applies to a minimum of eight hour work day. Night Work will be the same charge as Saturdays. Six hour minimum per day per truck applies to all jobs. Bridge Tolls will be billed separate for all hourly trucking, if applicable. All prices are subject to a 5% increase each year, except dirt haul prices and dumpsite, which are subject to change anytime due to weather and/or any other factor beyond our control. General Prevailing Wage (Determination: C-DT-830-261-7-2009-1) will be billed only hourly and twenty percent extra, over and above the prices listed in this quote. This quote does not apply to Federal and Major Holiday. Material prices and dump fees exclude fuel surcharges and environmental fees imposed by quarries and landfills. All extra fees imposed by quarries and at landfills will be billed separately if applicable. An extra cleaning time of one hour will be charged per truck and per shift for Rubber, Wet CTB and OGAC, if necessary. Fuel Surcharges: The above rates are based on the current fuel prices (see above date.) These rates will increase by 3.5% for every 0.50 increase in fuel. Accounts overdue beyond 30 days of billing will be charged at an interest rate of 24% per annum. Customer is also liable for an additional 25% of unpaid balance plus accidental collection costs, including attorney fees. Any valid charges must be provided to Economy Trucking Services, Inc. in the event of any delays, damages and/or losses related to trucking within Five Days from the date of the occurrence. After five days, such charges will not be approved and/or accepted. Customer agrees not to hire any other company to haul dirt to/from the same dumpsite/jobsite that is provided or proposed by Economy Trucking Services, Inc. or otherwise we have the right to collect any/all profits entitled to trucking & dirt hauling. This quote is good for 30 days from the above bid date.

This quote does not apply to projects requiring Teamsters Wages, Dues and Trust Fund.

Notes:

All prices quoted are subject to fuel increases. All quotes based on truck availability. All tonnage based on 2,000 lb tons. All disposal quotes are based on waste characterization (as identified above) and waste acceptance at landfills quoted. The price increase will be 5% per year starting in 2012. These prices do not include any possible new taxes at the landfills.

Testing of any kind is not included in any rates. Testing and analytical results will be required according to the designated landfill(s) requirements and the General Contractor is to supply each as requested. Landfills quoted require a completed profile, analytical data and a signed service agreement to approve a waste stream. Once all the information is submitted we will provide you with a unique approval number and manifest to transport your material. Payment terms are net 30 days from invoice date. Any non-conforming loads will be rejected and all associated costs are the responsibility of the customer. Standby time charged after 15 minutes.

Prevailing rates and certified payroll are available upon advance written request for an additional fee. Request must be made before truck order is placed.

Thank you for considering Team North for your material needs. Please call Dan at (650) 222-6525 or Jennifer at (650) 430-4633 if you have and questions.

36. Paving high for the convenience of others.
37. Furnishing and installing back splash bar.
38. Furnishing and installing support anchor bolts, anchor plates, support brackets, and all other electrolier hardware.

Special Conditions:

1. All rebar and reinforcing steel to be furnished and installed by others including tying, cutting, bending, cleaning, and testing.
2. Prime shall install safety barrier, and working platform in advance of RES's operation, working platform to be installed in any area requiring RES access.
3. RES will not perform extra work at force account until a CCO for said extra work is fully executed or another method for paying for extra work is established so that extra work will be paid on the next progress estimate following the start of the extra work.
4. All work not paid at a quoted item rate will be charged to the prime at a rate no less than the Caltrans extra work rate for subcontractors with standard markups, without regard to the payment or reimbursement to prime from owner.
5. No amounts shall be withheld from our extra work payments. Only the prime's markup on RES, should the owner pay the markup, may be withheld.
6. Release of retention within thirty (30) days of the completion of our work without regard to other ongoing work on the project.
7. Release of progress and final payments within five (5) calendar days of warrant date or EFT date whichever is sooner.
8. Price based on mutually agreed upon schedule, in writing, with 60 days written notice for all move-ins.
9. Prices subject to change if not accepted in writing within thirty (30) days.
10. Attendance of any prime contractor safety meeting shall be at force account plus standard subcontractor markups.
11. RES will require prime contractor to coordinate construction activities at each location.
12. Our insurance for this project will not include coverage beyond the standard limits carried by RES, or any insurance coverage in favor of others, or an excess umbrella liability policy.
13. RES shall receive copy of all CPM's and schedules and their revisions with time to comment and dispute prior to submittal to owner failure to comply shall relieve RES of any obligations related to the contents of the schedule or impacts to the schedule and any related penalties. In the event that durations or information is forwarded to Caltrans without the consent of RES and the unapproved information becomes part of a claim or contract change order any monetary consequences will become the Contractor's responsibility. Referring RES to review the project schedule at the contractor's office is not acceptable.
14. This quotation shall be made an integral part of our subcontract agreement as a scanned copy of this exact document, in its entirety, and as such shall supersede any conflicting language in the subcontract agreement. Rewording or paraphrasing of our terms for inclusion in subcontract is unacceptable.
15. RES rejects all of the terms in every prime contractor advertisement and solicitation, and encourages primes to assist with DBE participation.
16. Prices bid as a package, please call before splitting.
17. Traffic control and k-rail movement to be provided as deemed necessary by RES at no cost to RES.
18. Jobsite water at work areas and sanitary facilities with wash stations to be provided by others at no cost to RES.
19. RES will require any temporary k-rail movement and specific location of k-rail openings to be coordinated with its operations and will be staging paving equipment and related equipment at worksite unless other arrangements satisfactory to RES are made in advance at no cost to RES.
20. Prices are based on working standard shifts without overtime, and working in an uninterrupted sequence 5 days a week.
21. Prime Contractor to provide BARRIER survey staking for line and grade. Survey points need to be 1.2 meters offset from left/right of center line of barrier with a fill to top of barrier marked on stakes. The left/right of centerline is to be determined with RES superintendent on site. Staking to be 20 meter centers in tangents and 10 meter centers in radius. Should survey not be provided exactly as stated above, RES reserves the right to have it provided by a third party and shall charge the prime contractor for these costs plus 5% markup for administrative fees.
22. Prime to provide and maintain all-weather track grade, clear of obstacles.
23. Prime to provide clear and safe concrete mixer or truck or concrete pump access to the work
24. Prices listed above include mobilization as follows; 10 mobs for all work. Additional mobilizations add \$12500 each, no credit for fewer.
