1. List items of work the Bidder made available to DBE firms. Identify items of work the Bidder might otherwise perform with its own forces, items that have been broken down into economically feasible units to facilitate DBE participation, and items for which the Bidder has established flexible time frames for performance and delivery schedules in a manner that encourages and facilitates DBE participation. For each item listed, show the dollar value and percentage of the total contract. The Bidder must demonstrate that sufficient work to meet the goal was made available to DBE firms.
