Ms. Nancy Espie-Underwood  
UGE & ECS, Inc  
550 N. Figueroa St. Unit 6036  
Los Angeles, CA 90012

**RE: DISADVANTAGED/MINORITY/WOMEN BUSINESS ENTERPRISE  
(DBE/MBE/WBE) RECERTIFICATION APPROVAL File No. - 163-32609**

Dear Ms. Espie-Underwood:

We are pleased to advise you that after careful review of your application and supporting documentation, the City of Los Angeles has determined that your firm meets the eligibility standards to be recertified as a **Disadvantaged/Minority/Women Business Enterprise (DBE/MBE/WBE)** as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended.

Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs and the City of Los Angeles DBE/MBE/WBE directory under the following specific area(s) of expertise that you have identified on the business service form for contracting opportunities:

<u>NAICS Code</u>	<u>Description</u>
541330	Engineering Services
541620	Environmental Consulting Services
541690	Other Scientific and Technical Consulting Services
562910	Remediation Services

Your DBE certification is good for five years from the date of this letter and applies only for the above codes. You may review your firm's information in the CUCP DBE database, which can be accessed at the California Department of Transportation's website at [www.dot.ca.gov/hq/bep/](http://www.dot.ca.gov/hq/bep/) and the City of Los Angeles DBE/MBE/WBE database at <http://bca.lacity.org>. Any additions and revisions must be submitted to the City of Los Angeles for review and approval.

After the five-year certification period, your entire file will be reviewed in order to ascertain continued DBE certification status. You will be notified of the pending DBE status review and any documentation update necessary prior to the expiration date.

The Regulations also require annual updates during this five-year period. In order to assure continuing DBE status, you must submit annually a DBE Declaration with supporting documentation, in the format, which will be sent to you. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until the five-year certification has expired.

SCS&T Proposal No. 14-0239

**Mr. Jason A. Mordhorst**  
**Vice President – Estimating**  
**Hazard Construction**  
**6465 Marindustry Drive**  
**San Diego, California 92121**

Subject: BUDGET ESTIMATE FOR  
ASPHALT CONCRETE TESTING SERVICES  
11-2M6704 SR-76 BONDED WEARING COURSE  
SAN DIEGO COUNTY, CALIFORNIA

Dear Mr. Mordhorst:

In accordance with your request, Southern California Soil and Testing, Inc. (SCS&T) is pleased to submit this budget estimate to provide quality control testing services for the subject project. We understand our work will consist of providing quality control testing services in accordance with Caltrans Section 39.

#### **COST INFORMATION**

We propose to provide our services on a time and materials basis according to the Schedule of Fees included in this budget estimate. Based on the above scope, we estimate our fees to be approximately **\$19,822**. A cost table presenting a breakdown of our estimate has been provided in this budget estimate. We will invoice for services performed at the specified unit rates for the quantities shown in the attached budget estimate. The estimated budget covers services specifically outlined in this proposal. Should additional services become necessary and/or requested, the additional services will be invoiced in accordance with the rates listed on the attached Schedule of Fees.

#### **DEFINITION OF RESPONSIBILITY**

The presence of our field representative will be for the purpose of observing the construction and reporting its general compliance with the approved plans and the applicable building codes. Our work does not include the supervision or direction of the contractor's work, his employees or agents. The contractor is responsible for his/her own work, and neither the presence of our field personnel nor the observation and testing by this firm should excuse him in any way for defects in his work. It should further be understood that we are not responsible for site safety. During the course of a subsurface investigation, heavy equipment may disrupt the site.

## LIMITS OF LIABILITY

Consultant's liability for damages due to professional negligence will be limited to an amount not to exceed \$50,000 or our fees, whichever is greater. Client further agrees to notify any person or entity who may perform work or provide services in connection with any design, report, or study prepared by Consultant of such limitation of professional liability, and to require, as a condition precedent to their performing any work or providing any services on the project, their written agreement that this limitation of Consultant's liability to all persons or entities arising out of or related to its services under this Agreement shall not exceed the above-stated limits. Because of the nature of subsurface investigations, we may cause damage to your site. It shall be the responsibility of the client and not SCS&T to return the site to its original condition.

## AUTHORIZATION

This budget estimate will be valid for 90 days. SCS&T will accept authorization to proceed upon approval of this proposal and receipt of the Professional Services Agreement signed by an officer of your company. We will in turn, send you a fully executed original for your records. SCS&T appreciates this opportunity to provide our professional services and is most interested in becoming a member of your consultant team. SCS&T has considerable experience in successfully providing these services and we are confident that we can provide them in a timely and cost effective manner.

Should you have any questions regarding this budget estimate or if we may be of further service, please contact our office at 619.280.4321.

Respectfully Submitted,

**SOUTHERN CALIFORNIA SOIL AND TESTING, INC.  
2014 PROFESSIONAL SERVICES AGREEMENT**

**THIS AGREEMENT** is made and entered into at San Diego, California, by and between Southern California Soil and Testing, Inc. a California corporation, hereinafter referred to as "Consultant" and, Hazard Construction, hereinafter referred to as "Client."

Client intends to employ SCS&T to provide Asphalt Concrete Testing Services for the 11-2M6704 SR-76 Bonded Wearing Surface project located in San Diego County, California, hereinafter referred to as "Project."

Now, therefore, in consideration of the terms and conditions hereinafter set forth, the parties hereto agree as follows:

**1) Cooperation and Project Understanding**

(a) Consultant will render the professional services set forth in the Scope of Work contained in the Consultant's Proposal, which is attached hereto and incorporated into this Agreement. Client will compensate Consultant in accordance with said Proposal.

(b) If Client requires additional services, Client agrees that said additional services shall be paid for by Client at Consultant's fee schedule in effect at the time of the services, or as agreed between Client and Consultant. Additional services verbally requested by Client or by any representative of the Client for the Project shall be subject to all of the terms and conditions of this Agreement unless modified by an amendment or addendum to the Agreement, or a new agreement between the parties for the additional services. A written modification to the Agreement may be requested by either Consultant or Client, and if such a modification is requested, any additional services shall be provided only upon approval in writing by both parties to said modification.

(c) Client will make available to Consultant all relevant information in its possession regarding existing and proposed conditions of the Project site. This information shall include, but not be limited to, all plans, specifications, surveys, test data, and written reports by previous consultants that may pertain to the Consultant's scope of work. Client will immediately transmit to Consultant any new or revised information, which may have an effect on Consultant's services under this Agreement.

(d) It is acknowledged that opinions, recommendations, and advice that may be provided by Consultant will be based on information furnished by Client or other persons or entities retained by Client, and on information obtained by Consultant through Consultant's own investigation, testing, inspection, and observation of work being performed by others. Consultant shall not be responsible for any incorrect advice, judgment, or decision based on any inaccurate or incomplete information furnished by Client or Client's representatives, and Client will indemnify and hold harmless

Consultant against all claims, demands, or liability arising out of or contributed to by such information or lack thereof.

(e) It is also acknowledged that, unless specifically set forth in Consultant's Scope of Work in attached Proposal, Consultant does not direct, control, or supervise the work of other persons or entities on the Project other than those that may be directly retained as subcontractors by Consultant. (Business and Professions Code § 6703.1)

**2) Project Site**

(a) If applicable, the Client shall indicate to Consultant the property lines of the Project site and be responsible for the accuracy of any boundary markers.

(b) The Client shall secure free and lawful access to the Project site for all necessary equipment and personnel of Consultant. Client shall notify any and all possessors of the project site that Client has granted Consultant free access to the Project site, and Client shall secure permission (and any permits) necessary to allow Consultant free access to the Project site at no charge to Consultant unless specifically agreed to otherwise in the Proposal attached hereto.

(c) If applicable, the Client shall take steps to see that the property is protected, on or off-site, including all landscaping, shrubs, and flowers. While Consultant will take all reasonable precautions to minimize any damage to the property, it will not be responsible for damage to lawns, shrubs, landscapes, walks, sprinkler systems, or underground utilities and installations caused by movement of earth or equipment.

(d) If applicable, the Client shall locate for Consultant and shall assume responsibility for the accuracy of Client's representations as to the locations of all underground utilities and installations. In the event Client so requests, Client agrees to pay for all costs in connection with covering and backfilling said test holes at a later date, and Client shall indemnify and hold harmless Consultant for all claims, demands, and liabilities arising from its request.

### 3) Safety

Consultant will not be responsible for the general safety on the job or the safety of any equipment or individuals on the Project site other than its own personnel and the equipment under its direction.

### 4) Ownership of Documents

All reports, boring logs, field data, field notes, laboratory test data, calculations, estimates, and other documents prepared by Consultant, as instruments of service, shall remain the property of Consultant. In the event Client defaults on payment for Consultant's services, Client agrees that all reports and other work furnished to Client or its agents will be returned upon demand and will not be used by Client for any purpose whatsoever. Consultant will retain all pertinent records relating to the services performed for a period of five years following submission of the report, during which period the records will be made available to the Client at all reasonable times.

### 5) Samples

Consultant, or a subcontracted laboratory, will retain all soil, rock, and concrete samples for thirty (30) days after the issuance of Consultant's report or notification to terminate work. If the Client desires extended storage, the Client shall notify Consultant prior to the expiration date of this period. Extended storage or transfer will be at Client's expense.

### 6) Professional Standard

Client recognizes the inherent risks associated with the construction of improvements to real property. Client further recognizes that there may be significant variation in site conditions or in the work inspected or materials tested by Consultant. Consultant is responsible for performing its services in accordance with the standard of care set forth in the following paragraph, but this does not relieve the contractor or subcontractor from responsibility for their own work.

Consultant's services consist of professional and technical advice and observation only. Consultant will be responsible only for its own data, interpretations, and recommendations, but shall not be responsible for the interpretations by others of the information developed. In the performance of its professional services, Consultant will proceed with work diligently with competent personnel, and will comply with that level of care and skill ordinarily exercised by reputable professional engineers, geologists, and special inspectors currently practicing under similar conditions in the same or similar localities. No warranty of any kind whatsoever, express or implied, is made or intended by Consultant, its employees or agents, in connection with the services provided under this Agreement.

However, such indemnification shall not apply to the extent that any such claims, damages, losses, and expenses are due to the willful misconduct or sole negligence of Consultant.

### 8) Dispute Resolution

In an effort to resolve any conflicts that arise during the design or construction of the project or following completion of the project, the Client and Consultant agree that all disputes between them arising out of relating to the Agreement shall be resolved in accordance with the following procedures:

(a) Special Meeting. The parties shall first attempt to resolve any difference by businesslike negotiations. Either the Client or Consultant may call a special meeting, which shall specify the nature of the dispute to be resolved. This meeting shall be held within 3 working days of a written request, and shall take place at the job sites, Consultant's office, or such other location as shall be mutually agreed. The meeting shall be attended by representatives of Client, Consultant, and if necessary, other involved parties, who have authority to resolve the dispute. The parties shall make a good faith effort to resolve their differences at this meeting.

(b) Mediation. If the parties are not able to resolve the conflict through negotiation within 5 business days of the special meeting, the Client and Consultant agree that the dispute shall be submitted to nonbinding mediation unless mutually agreed in writing otherwise. This mediation shall be a prerequisite to either party pursuing further legal action, and no such legal action shall be initiated by either party until a good faith effort has been made by the parties to resolve their differences through the mediation process unless both parties agree to waive this mediation requirement. The costs of the mediation shall be equally shared by all involved parties.

### 9) Delays

Consultant will be excused for any delay in completion of this Agreement caused by acts of God, acts of Client or Client's employees or agents, inclement weather, labor trouble, acts of public utilities, public bodies or inspectors, extra work, failure of Client to make payments promptly, or other contingencies unforeseen by Consultant and beyond the reasonable control of Consultant.

#### **10) Termination of Agreement**

In the event that either party desires to terminate this Contract prior to completion of the Project, written notification of such intention to terminate must be tendered to the other party. In the event that Client notifies Consultant of such intention to terminate Consultant's services prior to completion, Consultant reserves the right to complete such analysis and records as are necessary to place files in order, to dispose of samples, put equipment in order, and, where considered necessary to protect its professional reputation, to complete a report on the work performed to date. In the event that consultant incurs costs in Client's termination of this Agreement, a termination charge to cover such costs shall be paid by the Client.

In the absence of notification of termination, this Agreement shall continue in full force and effect until such time as Consultant has completed its services.

#### **11) No Third Party Beneficiaries**

This Agreement is entered into solely for the benefit of Client and Consultant and in no way is intended to benefit or extend any right or interest to any third party. It is the intention of Client and Consultant that they are the sole beneficiaries to the rights and obligations arising herefrom, and any benefit to be derived by any third party is merely incidental to and unintended by the Agreement.

#### **12) Corporate Protection**

It is intended by the parties to this Agreement that the Consultant's services in connection with the Project shall not subject the Consultant's individual employees, officers, or directors to any personal legal exposure for the risks associated with this project. Therefore, notwithstanding anything to the contrary contained herein, the Client agrees that as the Client's sole and exclusive remedy, any claim, demand or suit shall be directed and/or asserted against the Consultant, a California corporation, and not against any of the Consultant's individual employees, officers or directors.

#### **13) Attorneys' Fees**

In the event that either party becomes involved in litigation arising out of this Agreement or the interpretation or performance thereof, the prevailing party shall be entitled to recover its reasonable attorneys' fees, court costs and other non-reimbursable litigation expenses.

#### **14) Merger Clause**

This Agreement, including the attached incorporated proposal, constitutes a final, complete, and total integration of any and all understandings between the parties. It

supercedes all prior communications, understandings and agreements, whether oral or written.

Any subsequent change, alteration, addition, or modification must be mutually agreed upon, in writing, and signed by both parties.

#### **15) Notices**

Any notice required or permitted under this Agreement may be given by ordinary mail at the address contained in this Agreement, but such address may be changed by written notice given by one party to the other from time to time. Notice shall be deemed received in the ordinary course of the mail.

#### **16) Assignments**

The rights and obligations of either party to this Agreement shall not be assigned or otherwise transferred without the prior written consent of the other party. Subject to the foregoing, each party to this Agreement, where applicable, binds itself, its partners, successors, executors, administrators, and assigns with respect to all covenants, conditions, and promises of this Agreement.

#### **17) Individual Responsibility**

If Client is a corporation, the individual or individuals who sign this Agreement on behalf of Client warrant that they are duly authorized agents of Client.

#### **18) Invoices**

Consultant will submit invoices to Client, at Consultant's option, either semi-monthly or upon completion of the services. Invoices for Consultant's services are due and payable upon receipt, and shall be considered past due if not paid within 30 calendar days of the due date. Invoices will show charges for different personnel and expense classifications. A more detailed separation of charges and backup data will be provided upon Client's request.

**A FINANCE CHARGE OF 1.5% PER MONTH, CALCULATED FROM THE INVOICE DUE DATE, WILL BE ASSESSED ON ANY INVOICES NOT PAID WITHIN 30 DAYS.**

#### **19) Disputed Invoices**

If the Client objects to any portions of an invoice, the Client shall so notify the Consultant in writing within 30 calendar days of receipt of invoice. The Client shall identify the specific cause of the disagreement and the amount in dispute, and shall pay that portion of the invoice not in dispute in accordance with the other terms of this Agreement. Any dispute over invoiced amounts due which cannot be resolved within 11 days be direct negotiation between the parties shall be resolved in accordance with the Dispute Resolution

provisions of this Agreement. Finance charges as stated above shall be paid by the Client on all disputed invoice

amounts that are subsequently resolved in the Consultant's favor, calculated on the unpaid balance from the due date of the invoice.

**20) Previous Consultant Fees**

Client agrees that any previous consultant retained to perform professional services that are the same or related to those for which this Agreement has been entered, has been or will be promptly paid in full by client. Client shall obtain full rights to use previous consultant's work product, if same is to be used by Consultant.

**21) Severability**

If any term or provision of this Agreement should be found to be in violation of any law or ordinance, it shall be deemed stricken from the Agreement, and the remainder of the Agreement shall remain in full force and effect.

**22) Governing Law and Jurisdiction**

This Agreement shall be governed by the law of the State of California, and jurisdiction for any disputes arising under this Agreement shall be brought in a court of competent jurisdiction in San Diego, County, California.

**23) Limitation of Liability**

**CONSULTANT'S LIABILITY FOR DAMAGES DUE TO PROFESSIONAL NEGLIGENCE WILL BE LIMITED TO AN AMOUNT NOT TO EXCEED THE TOTAL FEES RECEIVED BY CONSULTANT UNDER THIS AGREEMENT, OR THE AMOUNT OF \$50,000, WHICHEVER IS GREATER.**

**IT IS INTENDED THAT THIS LIMITATION APPLY TO ANY AND ALL CLAIMS, LOSSES, COSTS OR DAMAGES, INCLUDING ATTORNEY'S FEES AND EXPERT WITNESS FEES AND COSTS, RESULTING FROM OR RELATED TO THE PROJECT OR THIS AGREEMENT.**

## Additional Data

**Any additional data to support a demonstration of good faith efforts (use additional sheets if necessary):**

Hazard Construction's Estimators and Estimating Secretary are available for assistance with navigating the FTP Site or agency's website to access project information. Estimators are available to discuss and answer questions regarding the specifics of the projects.

If Internet or printing access is limited Hazard offers to burn CD's or prints necessary documentation and ships at no cost to the subcontractor or vendor. Hazard Construction encourages all potential Subcontractors and Vendors to offer lower tier companies to assist in meeting goals on projects.

Hazard Construction has earned awards by Caltrans District 11 for Utilization of Small Business and DVBE Companies in 2005 and 2009. Hazard also earned Prime Contractor of the year in 2011 and 2012 from Caltrans District 11 for highest small business participation.
